

Get a FREE Mid-Trip Inspection Before Brake Safety Week

July 18 - August 20

Brake Safety Week is August 21-27 2022.

During last year's inspections, CVSA placed 12% of vehicles out of service. Find our nearest location at ta-petro.com and let our expert technicians help you avoid downtime—no matter what make or model you drive.

Offer valid July 18-August 20, 2022 at TA Truck Service facilities locations at TA®, Petro Stopping Centers®, and TA Express®. Coupon code: **MIDTRIP2022**. One coupon per work order. Customers are responsible for tax. Self-adjusting brake adjusters do not eliminate or reduce the need for periodic inspection and maintenance of the adjusted components and attaching hardware. Self-adjusting brake adjusters should never be operated as a manual adjuster if the self-adjusting function is not operating properly. For your safety, TA and Petro brand locations do not adjust automatic slack adjusters. Visit ta-petro.com for more information.
